

Bowerham Road Area Statement of Reasons

Parking B – Collingham Park – Lentworth Drive

The roads and junctions identified form parts of bus routes within Lancaster, including route numbers 4 and 100. In order to prevent any obstructions from parked vehicles, No Waiting at Any Time restrictions are proposed for certain lengths of Collingham Park, Lentworth Drive and the junctions at Hala Road/Hill and Bowerham Road.

The introduction of these restrictions aims to provide an unobstructed route for buses, improving operation in both directions, enhancing reliability for passengers, and supporting the efficient movement of services along the route.

REASONS UNDER Section 1 of the RTRA

- (a) for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, or
- (c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians)
- (f) for preserving or improving the amenities of the area through which the road runs, or
