This vision is at the centre of everything we do. Embedded in our identity are our values: *Supportive, Innovative, Respectful, and Collaborative*, our guiding principles that enable everyone to thrive.

Four Spheres of Leadership

The Leading Lancashire framework is a dynamic approach, encapsulating four key spheres:

Responsibilities, Capabilities, Behaviours, and Results.

These spheres form the bedrock of our leadership ethos, providing clarity and direction for all leaders. Responsibilities guide our actions, Capabilities cultivate our potential, Behaviours shape our interactions, and Results measure our impact. Together, these spheres ensure leaders deliver their best for themselves, their teams, LCC, and the people of Lancashire.

The Lancashire Mindset

Woven through the Leading Lancashire framework we introduce The Lancashire Mindset; Growth, Ownership, Optimism and Positive Impact. Adopting this mindset across the entire organisation not only brings our values to life but also emphasises the collective commitment to delivering the best for the people of Lancashire.

The Lancashire Mindset not only shapes our approach to leadership but also serves as a guiding force for a culture rooted in growth, ownership, optimism, and the commitment to making a meaningful positive impact.
